**SUSTAINABILITY IN THE MARITIME INDUSTRY  
8 MARCH 2011 | OCEANIUM, ROTTERDAM ZOO**

**CONFERENCE PROGRAM (CONTINUED)**

12:45	<b>DELEGATES LUNCHEON</b>
13:45	<b>SIEMENS' VIEW ON SUSTAINABILITY</b> Ab van der Touw, CEO, Siemens Netherlands
14:00	<b>THE WORLD CAFÉ*: REALISING SUSTAINABLE SHIPPING</b> Explanation of the World Café method by HME and group discussions on 3 themes related to the realization of sustainable shipping.  <i>* The World Café is a method which uses an informal setting for participants to explore an issue. Participants discuss the issue at hand in multiple rounds at multiple tables. A table host informs newly arrived participants of the previous conversation. By moving participants around, the conversations at each table are cross-cultivated with ideas from other tables.</i>
15:30	<b>NETWORKING BREAK</b>
16:00	<b>PLENARY FEEDBACK FROM THE WORLD CAFE</b> Presentation of results by designated reporters, followed by a panel discussion lead by Gert-Jan Huisink, Managing Director, HME.
